

§ 303.2

(and may include the so-called specialty fibers from the hair of the camel, alpaca, llama, and vicuna) which has never been reclaimed from any woven or felted wool product.

(t) The term *recycled wool* means (1) the resulting fiber when wool has been woven or felted into a wool product which, without ever having been utilized in any way by the ultimate consumer, subsequently has been made into a fibrous state, or (2) the resulting fiber when wool or reprocessed wool has been spun, woven, knitted, or felted into a wool product which, after having been used in any way by the ultimate consumer, subsequently has been made into a fibrous state.

(u) The terms *mail order catalog* and *mail order promotional material* mean any materials, used in the direct sale or direct offering for sale of textile products, that are disseminated to ultimate consumers in print or by electronic means, other than by broadcast, and that solicit ultimate consumers to purchase such textile products by mail, telephone, electronic mail, or some other method without examining the actual product purchased.

§ 303.2 General requirements.

(a) Each textile fiber product, except those exempted or excluded under section 12 of the Act, shall be labeled or invoiced in conformity with the requirements of the Act and regulations.

(b) Any advertising of textile fiber products subject to the Act shall be in conformity with the requirements of the Act and regulations.

(c) The requirements of the Act and regulations shall not be applicable to products required to be labeled under the Wool Products Labeling Act of 1939 (Pub. L. 76-850, 15 U.S.C. 68, 54 Stat. 1128).

(d) Any person marketing or handling textile fiber products who shall cause or direct a processor or finisher to label, invoice, or otherwise identify any textile fiber product with required information shall be responsible under the Act and regulations for any failure of compliance with the Act and regula-

tions by reason of any statement or omission in such label, invoice, or other means of identification utilized in accordance with his direction: *Provided*, That nothing herein shall relieve the processor or finisher of any duty or liability to which he may be subject under the Act and regulations.

§ 303.3 Fibers present in amounts of less than 5 percent.

(a) Except as permitted in sections 4(b)(1) and 4(b)(2) of the Act, as amended, no fiber present in the amount of less than 5 percent of the total fiber weight shall be designated by its generic name or fiber trademark in disclosing the constituent fibers in required information, but shall be designated as "other fiber." When more than one of such fibers are present in a product, they shall be designated in the aggregate as "other fibers." Provided, however, that nothing in this section shall be construed as prohibiting the disclosure of any fiber present in a textile fiber product which has a clearly established and definite functional significance when present in the amount contained in such product, as for example:

96 percent Acetate
4 percent Spandex.

(b) In making such disclosure, all of the provisions of the Act and regulations in this part setting forth the manner and form of disclosure of fiber content information, including the provisions of §§ 303.17 and 303.41 of this part relating to the use of generic names and fiber trademarks, shall be applicable.
